KUBOTA CANADA RESERVES SPACE AND OFFERS SHUTTLE SERVICE

**At the 28th Annual Toronto International Snowmobile, ATV & Powersports
Show
October 23, 24, 25, 2015 - International Centre, Toronto**

Toronto, Ontario (September 14, 2015): More big news develops around the Industry's leading Powersports Show, the 28th Annual Toronto International Snowmobile, ATV & Powersports Show (TISAPS), as **Kubota Canada** confirms they will have their corporate display filled with their **Vehicles** on display all weekend in **Hall 2** at the **International Centre, October 23-25, 2015**.

Kubota's diesel powered **RTV1140** will be shuttling show attendees around the parking lot to and from their vehicles. There will be locations at both entrances and exits of TISAPS for Show Attendees to catch their Kubota ride.

"Having **Kubota Canada** is another amazing feature for the show, and we're excited to work with them. Offering a shuttle service is a great idea. And not only is the parking free at the show, but with the help of **Kubota Canada** we can offer attendees a shuttle service to help make their experience at the show even better. We're extremely proud to have developed a parking lot shuttle service for show attendees, the parking is plentiful at the International Centre, however, anytime we can help show attendees we will." **Commented Richard Kehoe, President, Marketer Shows Inc.**
