TISAPS Show Manager, Mike Blakoe commented, "The excitement based around this area grows every year. We had a great turn out last year, and we are looking to expand on this area each year with both off-road and snowmobiles. With the winter we just experienced you know there's been a lot of new sled sales, but there will be a lot of used sled sales as well. People are ready to get back into the sport, and not everyone is looking for a new sled."

Stay tuned... More news will be announced over the next few weeks.
